

## About us

Sunfert IVF is Malaysia's fastest growing fertility centre located in the integrated resort township of Bandar Sunway, in the suburb of Kuala Lumpur. Our centre is located within Sunway Medical Centre, which is an acute tertiary care hospital with over 300 beds and more than 100 doctors of different specialties. We are a one-stop centre offering a comprehensive range of fertility services, treatments and investigations provided by a team of highly trained and experienced professionals.

Our patients are at the heart of all we do and our objective is to provide quality care at affordable cost, ensuring value and outcome. We use state-of-the-art equipment and simplified yet effective protocols to assure cost-effectiveness and to maximise your comfort. Each treatment plan is individualised to achieve a pregnancy with the minimum cost and the quickest route. At Sunfert IVF, we employ a holistic approach to fertility care. Our MindBody Fertility Programme is designed to help you and your partner cope with the potential anxieties and stress during IVF treatment.

At Sunfert, you can be assured that you will be attended to by the same fertility specialist throughout your treatment cycle. You will have a 24-hour 7-day a week access to a fertility consultant via Sunfert Careline

**(+6018-2301818)**

for absolute peace of mind. Our ultimate aim is to help you to realise your dreams of having a baby!

## You're in good hands

**Our team consists of well trained professionals with years of proven experience.**

**Our Fertility Specialist** completed a highly competitive Fellowship in Infertility and Reproductive Medicine at the London Fertility Centre under the tutelage of Prof Ian Craft, a world renowned fertility pioneer. In the 10 years of fertility work, he has performed over 1500 IVF cycles. He is also a trained laparoscopic surgeon offering the full range of laparoscopic infertility treatment.

**Our Embryologists** are skilled specialists in the various aspects of Assisted Reproductive Techniques. The Chief Embryologist, who has a Master in Clinical Embryology from the University of Leeds (UK), possess 10 years of IVF experience. Together with a Junior Embryologist, they are extremely competent and meticulous scientists. They maintain the high success rates and standards of the IVF laboratory.

**Our Fertility Counsellors** are highly experienced nurses who are also trained counsellors. They are patient and understanding, and provide excellent support throughout your fertility treatment.

## World class fertility care doesn't have to be expensive

Our treatment package is designed so that you can have access to and afford high quality fertility care. Be assured that our packages are all inclusive treatment package\*, with no hidden costs! Call us for further information.

## Whatever your cultural background is, we are ready for you!

We provide a broad range of services to patients from overseas and their family members, ensuring them of a pleasant and comfortable experience through out their stay. We offer full concierge services including airport transfer and accommodation. There is plenty to do and see in Bandar Sunway, an integrated resort township with theme parks, shopping malls and hotels to suit every budget. But if you wish to see more, we can help arrange a city tour. All international patients and referring doctors are welcome to contact us for further information.
